TREE FARM BULLETIN

New Mexico Wood Industry Summit

The summit is designed to meet the needs and interests of the wood industry in New Mexico. There will be presentations and panel discussions on various topics including: emerging market demands for forest products and highlights of a successful forest industry. Part of the agenda will include networking opportunities and time for participants to visit exhibitor booths and attend demonstrations of numerous pieces of forestry industry equipment. Attending guests are private contractors, haulers, product manufacturers, state and federal forest staff, tribal and local government officials which will learn more about this important industry.

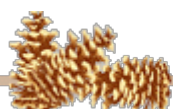

As exhibitor you are invited to attend the workshops along with the general public which will be held at the Ruidoso Convention Center on November 16-17, 2018. The summit presentations and panel discussions are free to all.

Each exhibitor booth is 10' x 10' with one table and two chairs for a nominal fee of \$50. If you would like additional space for your exhibit, you may reserve additional booth space for \$50 per space. Outside space for display/demonstrations of larger equipment is also available for a fee of \$150. Please indicate on the application form, if you prefer exhibitor booth space inside or out. Note that space will be given on a first-come first-serve basis.

Vendor applications are available online at
<https://www.ruidoso.enmu.edu/index.php/new-page/350-wood-summit>

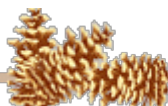

If you are interested in being a presenter during the meeting indicate that as well on the vendor application. Registration is due by October 15, 2018 for questions, comments or concerns on this event please contact Eddie Saenz at 575-937-2816 or email eduardosaenz@ruidoso-nm.gov

We look forward to seeing you in Ruidoso.

NEW MEXICO WOOD INDUSTRY SUMMIT

**November
16 & 17, 2018**

Ruidoso Convention Center
111 Sierra Blanca Dr.
Ruidoso, NM

1) FROM THE CHAIR - GIVING TO NEW MEXICO

As I noted in a previous article, serving as chair to the New Mexico Tree Farm Committee has been one of my most cherished experiences. Elections for all four board positions (Chair, Vice-Chair, Treasurer, and Secretary) will be held at our December 12th, 2018 meeting. This is an opportunity to get involved in one of the most important human endeavors in our state. We work closely with State Forestry, as private landowners, to restore and maintain our forests. Our shared goal is to promote healthy forests, preserve wildlife habitat and protect of our state's watersheds. Further, serving on the board is exactly that – serving. It is the chance to give back to the people of New Mexico through meaningful and measurable leadership. I hope to see you in December. If you have any questions, do not hesitate to contact me - *Matthew Silva*.

2) COMMITTEE MEETING AND COMMITTEE ELECTION!

All Tree Farmers are invited and encouraged to attend our 3rd New Mexico Tree Farm Committee Meeting of the year (three held annually). ***In addition to our usual agenda, we will be electing members for the positions of Chair, Vice Chair, Treasurer, and Secretary.*** Please join us at 1:30 pm on Wednesday, December 12th, 2018 at the New Mexico Department of Game and Fish office located at 3841 Midway Place NE, Albuquerque, NM. Come out and hear what other tree farmers have been up to and share your tree farm accomplishments with the group. We look forward to visiting with you. If you have any questions, please contact Arnie Friedt at arnie.friedt@state.nm.us

3) BUY, SELL OR TRADE

Are you looking for forestry related equipment to buy (i.e. chipper, splitter, chainsaw, etc.)? Or, do you own forestry related equipment you would like to sell or trade? Forestry related equipment only, please, no homes or land. We would like to help you make the connection with other New Mexico Tree Farmers. Provide us with a description of the equipment, price, photo and contact information and we will post it in the New Mexico Tree Farm Bulletin. If you would like us to help you make the connection, please provide information to Arnie Friedt at arnie.friedt@state.nm.us

4) COMMUNITY CORNER

If your community is having a forestry related public event let us know the details and we would be delighted to promote your event in the New Mexico Tree Farm Bulletin. Give us the event details, Who, What, Where and When with contact information and we will include in our monthly bulletin. If you would like us to help you promote your event, please provide information to Arnie Friedt at arnie.friedt@state.nm.us

5) E-MAIL INSTEAD OF SNAIL MAIL

Would you prefer to receive your Tree Farm Bulletin by e-mail instead of snail mail? If so, contact Doug Boykin at doug.boykin@state.nm.us and provide him with your contact information. By receiving your Tree Farm Bulletin by e-mail our operating costs are reduced. Thank you for considering this option.
